

Whistleblower Policy

1. PURPOSE

Rambler’s whistleblower policy (the “Policy”) governs the process through which the Company’s employees, suppliers, customers and community members or government can anonymously and confidentially report any potential violation or concern contrary to the Company’s policies or local laws or regulations. The Policy describes the process that will be followed by the Company in evaluating and investigating such reports. In addition, this Policy establishes a mechanism to support and promote the Company’s values by encouraging our directors, officers, employees and managers to talk to their supervisors, managers or other appropriate personnel about any concerns they may have in respect of illegal or unethical behavior or the appropriate response to any such behavior.
